SUBJECT: ESTONIA CONSIDERING PARTNERSHIP IN COMBATING
NUCLEAR TERRORISM

REF: STATE 21535

(SBU) On February 26, we delivered reftel points to Arti Hilpus, MFA Director for Security and Arms Control, and inquired about Estonia's interest in endorsing the Global Initiative Statement of Principles and/or possibly participating in the Initiative's activities. Hilpus confirmed that Estonia is in agreement with the Principles, but said the GOE could not take any decision on participation until after the next government is formed. (Note Parliamentary elections are scheduled for March 4, but it could take a month or more for the next government to be in place. End Note.)
